●Kitano Ken followed Yumin, who became a Korean police officer, to Seoul, Korea. However, since Tae-su took a fancy to him, he got set up as the boss of a gang, which Yumin hates. After getting into trouble with the local yakuza, Ken and the others, who gained enough strength after training in the mountains for 10 months, were able to drive out those who oppress and exploit the weak, and they protect the city of Yeongdeungpo... On the other hand, Yumin confesses to Ken that, "she is actually Japanese and she's even the daughter of Yoshizawa Ryu, the boss of the largest yakuza group in Japan." she came to Korea as a vanguard for the advancement to Korea, but betrayed her organization and decided to fight the gangs as a police officer. She was fighting off the assassins from the organization. Ken was not able to tell her that he, himself, is a gang member, and that his parents got caught in the Hakuryukai's warfare and were killed... With a chivalrous spirit and conviction, struggling yet maturing in the Korean underworld, the story of Ken, the Japanese man, vol.5!!

※THIS STORY IS FICTION, AND THE CHARACTERS, GROUPS, AND EVENTS HAVE ABSOLUTELY NO RELATION TO THE ACTUAL ONES.

Level.26

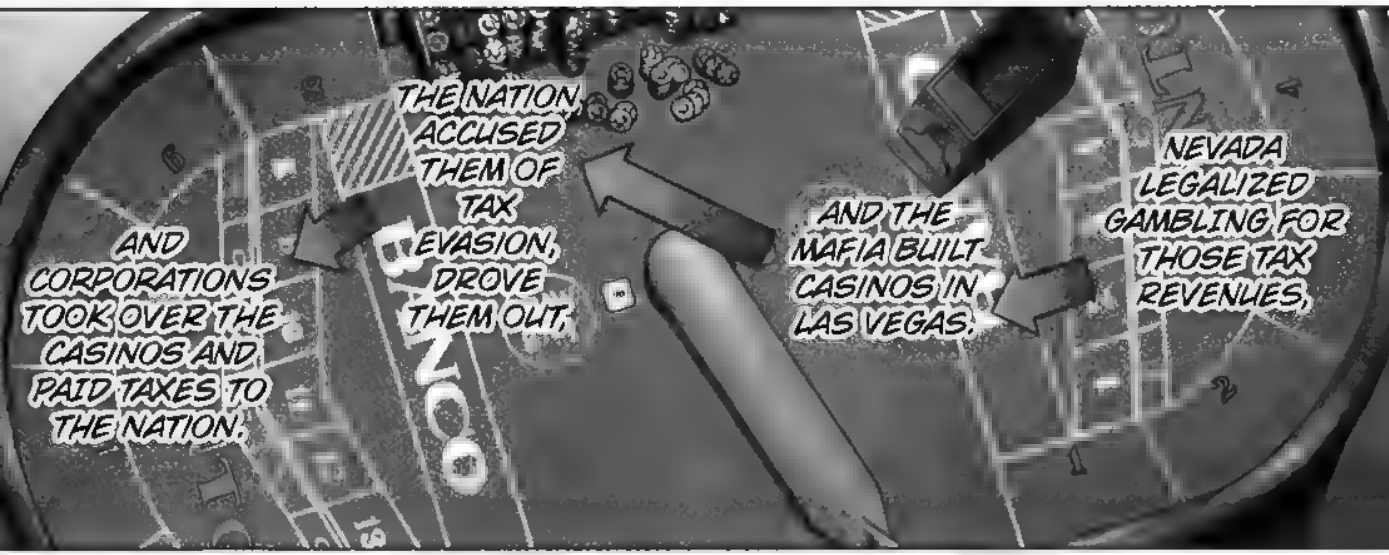
*Taken over from the Garugi team. Refer to Vol. 3 - Chapter 19.

CAN SOMEONE EXPLAIN ABOUT THE INCIDENT THAT WENT ON?
I KEPT IT ASIDE SO WE COULD USE IT ONE DAY.
WHY DON'T I EXPLAIN TO YOU WHAT I'VE DUG UP ON THE SITUATION.

FIRST, LET'S TALK ABOUT THE CASINO.
WELL, THERE ARE A LOT OF UNKNOWN FACTORS ABOUT "THAT CASINO."
WHAT? WELL *YOU'RE* CAREFULLY PREPARED!
HEY, YOU'RE SAYING YOU DON'T KNOW ABOUT THE INCIDENT THAT CAUSED AN UPROAR IN SOUTH KOREA?

IT'S SAID THAT IN THE STATE OF NEVADA, 40% OF THE TAX REVENUE COMES FROM THE CASINO INDUSTRY.
LAS VEGAS, STARTED BY *BUGSY SIEGEL OF THE MAFIA IS A GOOD EXAMPLE.
A TYPE OF GAMBLING HOUSE KNOWN AS A CASINO, IS A PLACE WHERE A NATION RAKES IN MONEY.

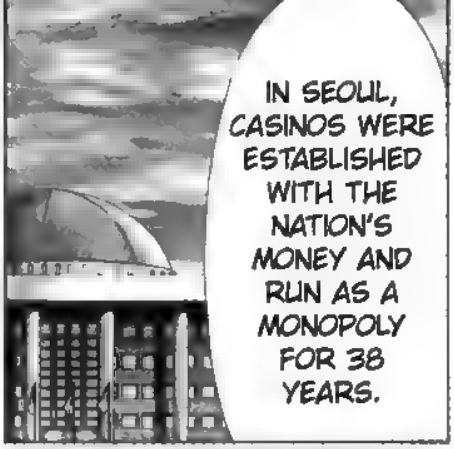
*Bugsy Siegel - Completed The Flamingo hotel in 1946. He constructed the foundation of Las Vegas that prospers from casinos.



AND CORPORATIONS TOOK OVER THE CASINOS AND PAID TAXES TO THE NATION.
THE NATION ACCUSED THEM OF TAX EVASION, DROVE THEM OUT.
AND THE MAFIA BUILT CASINOS IN LAS VEGAS.
NEVADA LEGALIZED GAMBLING FOR THOSE TAX REVENUES,

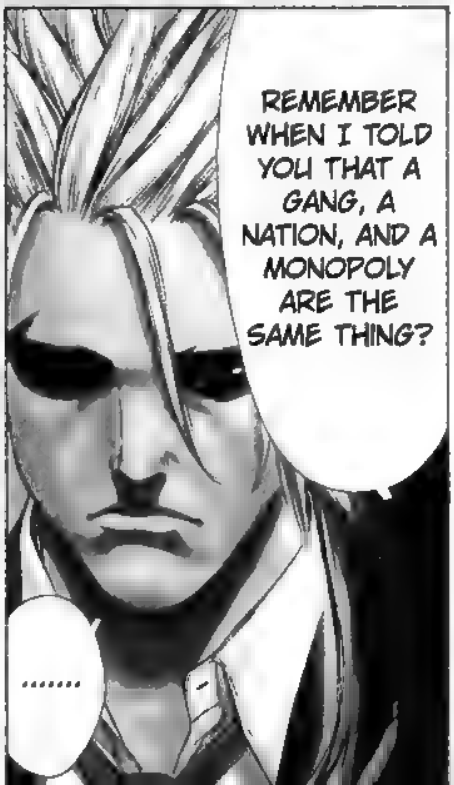
*750 Billion JPY = 9.1 Billion USD (2012 Approx.)

THE TRUE FORM OF ALL THREE, LIES WITHIN A CASINO.
DOM



IN SEOUL, CASINOS WERE ESTABLISHED WITH THE NATION'S MONEY AND RUN AS A MONOPOLY FOR 38 YEARS.

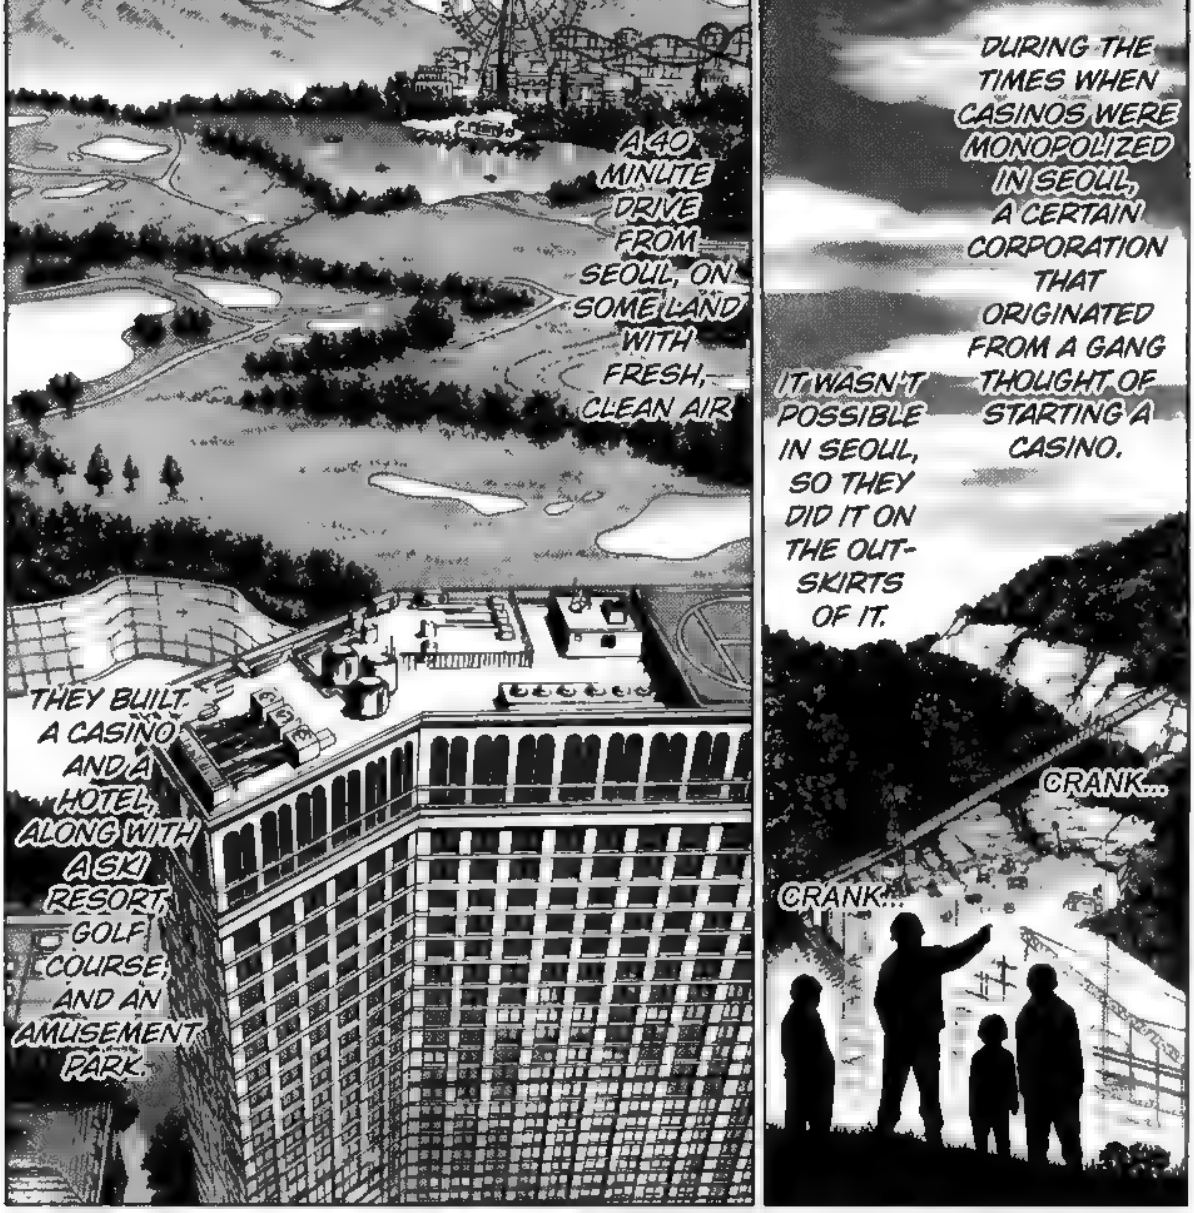
THAT IS UNTIL 2006, WHERE A CASINO ESTABLISHED AS A STATE-RUN CORPORATION WAS BUILT IN SEOUL.
KEN,
HMP



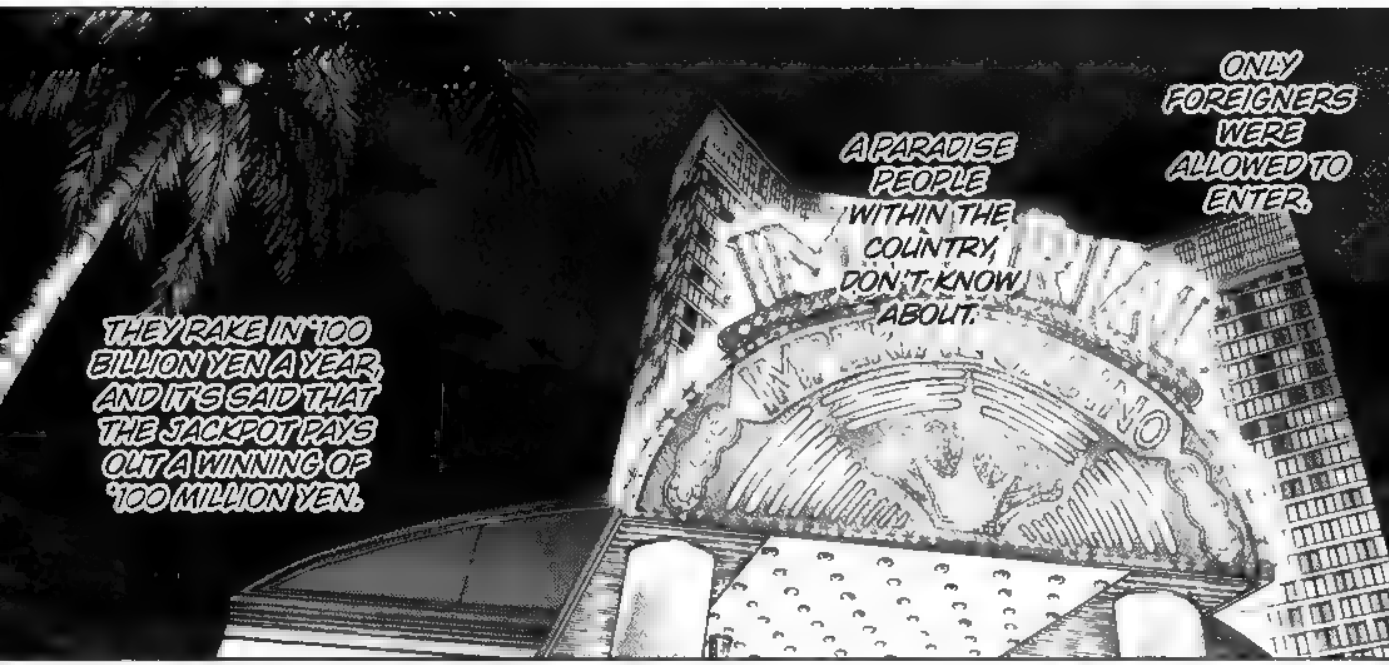
REMEMBER WHEN I TOLD YOU THAT A GANG, A NATION, AND A MONOPOLY ARE THE SAME THING?
.....

HAVING A CASINO IS THE CLOSEST YOU CAN GET TO THAT TRUE FORM.

SURE.
TELL ME ABOUT THE IMPERIAL CASINO.



A 40 MINUTE DRIVE FROM SEOUL, ON SOME LAND WITH FRESH, CLEAN AIR.
THEY BUILT A CASINO AND A HOTEL, ALONG WITH A SKI RESORT, GOLF COURSE, AND AN AMUSEMENT PARK.
DURING THE TIMES WHEN CASINOS WERE MONOPOLIZED IN SEOUL, A CERTAIN CORPORATION THAT ORIGINATED FROM A GANG THOUGHT OF STARTING A CASINO.
IT WASN'T POSSIBLE IN SEOUL, SO THEY DID IT ON THE OUT-SKIRTS OF IT.
CRANK...
CRANK...



THEY RAKE IN 100 BILLION YEN A YEAR, AND IT'S SAID THAT THE JACKPOT PAYS OUT A WINNING OF 100 MILLION YEN.
A PARADISE PEOPLE WITHIN THE COUNTRY, DON'T KNOW ABOUT.
ONLY FOREIGNERS WERE ALLOWED TO ENTER.

*100 Billion JPY = 1.2 Billion USD
100 Million JPY = 1.2 Million USD (Approx.)

I DON'T... HAVE TOO MANY CARDS LEFT IN MY HAND ANYMORE...
EVEN STRONGER ...

CALL IN THAT JAPANESE FELLOW FOR ME.
YEONG-DELINGPO.

ALREADY AUTUMN...
THE BREEZE HAS GOTTEN COOLER.
WHRRRRR
ビュオオオオ
WHAT,
SHOULD WE *HELP YOU* WITH?
PLEASE LET OUR BOSS KNOW, SIR.

"THAT" CASINO?
WILL YOU TAKE OVER...
WELL THEN... MR. KITANO, YOU HAVE MY SUPPORT, SO...
I WILL MAKE IT SO YOU CAN BECOME THE "RULER" OF THE PLACE.
BEING THE LARGEST IN EASTERN ASIA, THAT CASINO IS THIS COUNTRY'S WALLET ITSELF.
THIS SHOULD BE A BIG CHANCE FOR YOU.

I WILL PREPARE EVERY-THING.
ALL YOU GUYS HAVE TO DO IS THE SIMPLEST, YET MOST IMPORTANT TASK.
DEFEAT THEM, WITH "POWER."
HOW ABOUT IT...
CAN YOU DO IT?

SUCH A BRAT.
WHAT?
I'M TALKING ABOUT YOU...

I HAVE...
NOW, YOU'RE IN THE POSITION OF ASKING US.
DO YOU UNDERSTAND WHAT OUR BOSS'S EXISTENCE IS TO YOU RIGHT NOW?

MISJUDGED
THIS MAN...!!

ビュオオオオオ…
WHRRRRRR...
WHRRRRRR
ビュオオオ

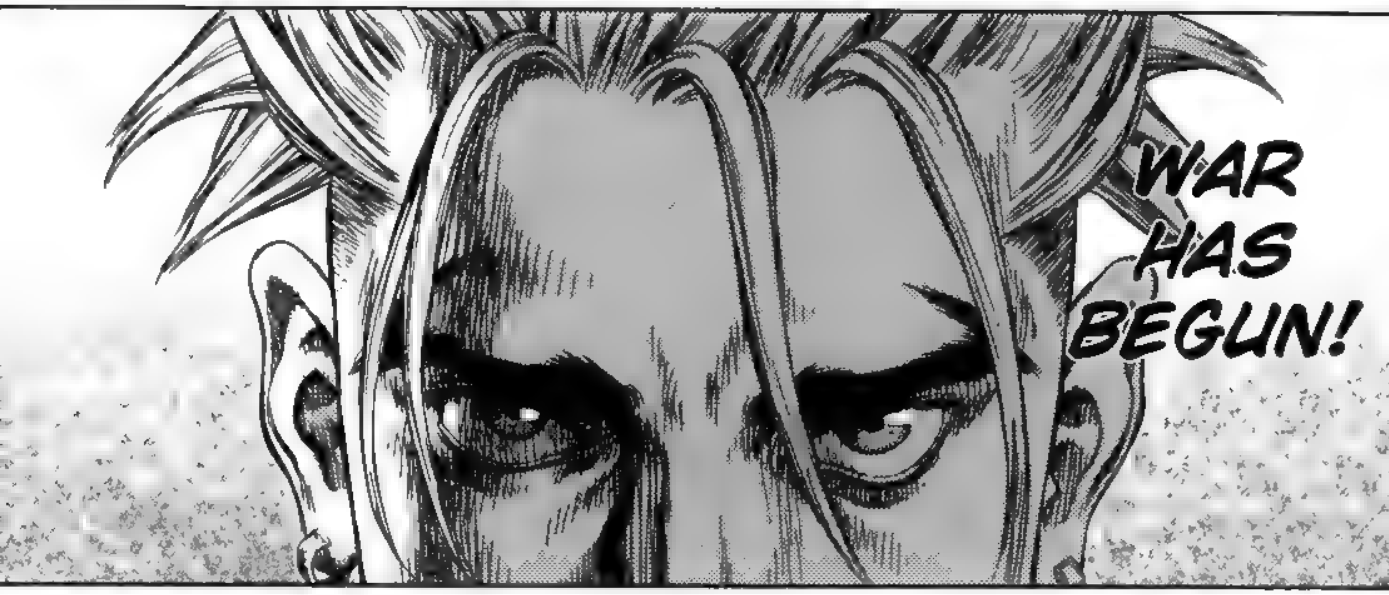
"BOSS KEN"
I BEG YOU PLEASE, WILL YOU FULFILL THIS WISH OF MINE

CASINO -OOHHH.

I TOLD YOU I WASN'T INTERESTED.

NOW...
WHAT DO YOU WANT TO DO, BOSS?

SHFT
HOW-EVER...
OR THE CHAIRMAN'S REVENGE EITHER...
THE CASINO...
WE WILL TAKE THE CASINO!



Level.29／END

Level.30

THE CASINO...
WE, THE STOCKHOLDERS HAVE DECIDED TO DISMISS YOU, PRESIDENT LEE MAN-GU.
...FOR THAT REASON,
HAVE YOU GONE SENILE?
KEKEKE.
IF YOU AREN'T GOING TO BACK OUT...
THERE ARE A FEW WAYS TO MAKE YOU...
JUST HOW DO YOU PLAN TO CHASE ME OUT?
WHEN I OWN 50% OF THE TOTAL STOCKS,

YOU'RE GOING TO ATTACK ME?
SEEMS LIKE YOU DON'T WANT TO DIE SO EASILY, EH?
THE WAY HOW YOU, LEE, CHASED OUT THE PREVIOUS PRESIDENT, FOR INSTANCE.

YES.
YONG-BAE.
I WILL PROTECT "THE CASINO"!
ONCE WE'RE DONE WITH THIS CASE, OH OF FINE AND THE OLD GEEZER STOCKHOLDERS... WE'RE GONNA GET RID OF THEM ALL!
THERE'S NO QUESTION, FINE'S OH DAL-SU IS BEHIND THIS!
THAT TINY-ASS TEAM FROM YEONGDEUNGPO ATTACKING ME WOULD BE RIDICULOUS!

THE CASINO...
THE ARISTOCRAT OF GAMBLING...
THE CASINO.
THE BLOSSOM OF GAMBLING...
THE JEWEL OF GAMBLING...
*Pachinko Japanese gambling machines that are a combination of pinball and slot machines
THERE ARE ABOUT 7 MILLION *PACHINKO ADDICTS IN JAPAN.
THESE PEOPLE SPEND MONEY AS IF IT WERE WATER.
THERE ARE ABOUT 3 MILLION GAMBLING ADDICTS IN SOUTH KOREA.
PEOPLE GAMBLE
*30 trillion yen=360 billion usd (approx.)
*750 billion yen=9.1 billion usd (approx.)
*100 Billion Yen=1.2 Billion USD (approx.)
JAPAN'S PACHINKO ROBS FROM "PEOPLE" ABOUT *30 TRILLION YEN A YEAR.

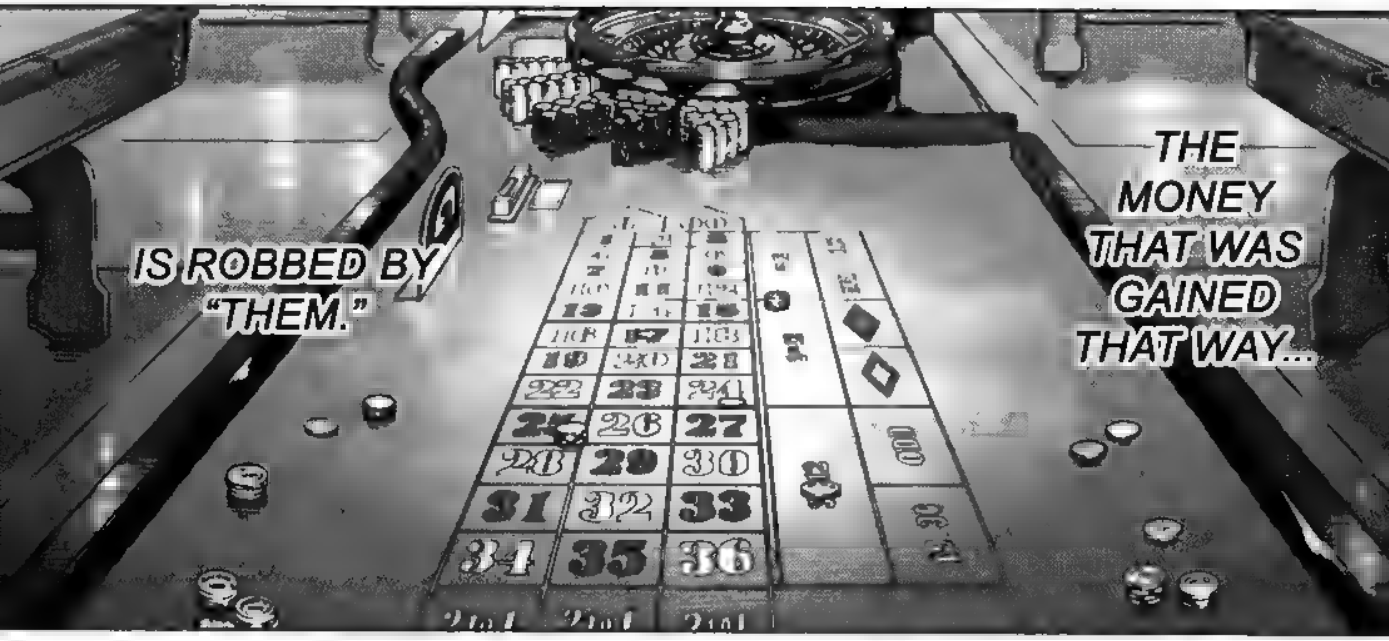
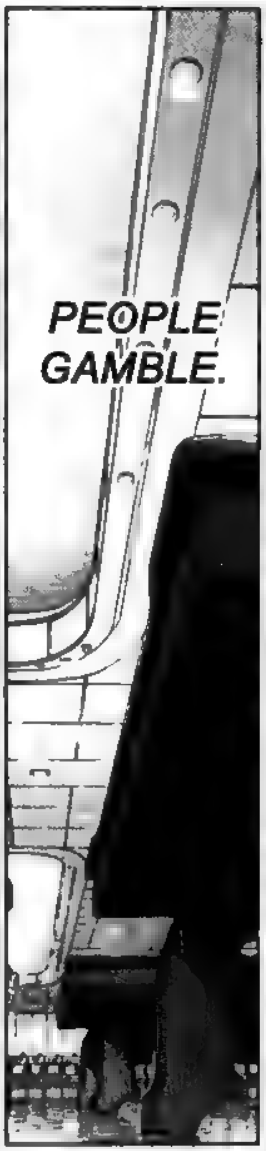
THE CASINOS OF LAS VEGAS, IT'S ABOUT *750 BILLION YEN A YEAR.
THE PROFIT OF THE CASINO FOR LOCALS OF SOUTH KOREA IS ABOUT *100 BILLION YEN A YEAR...

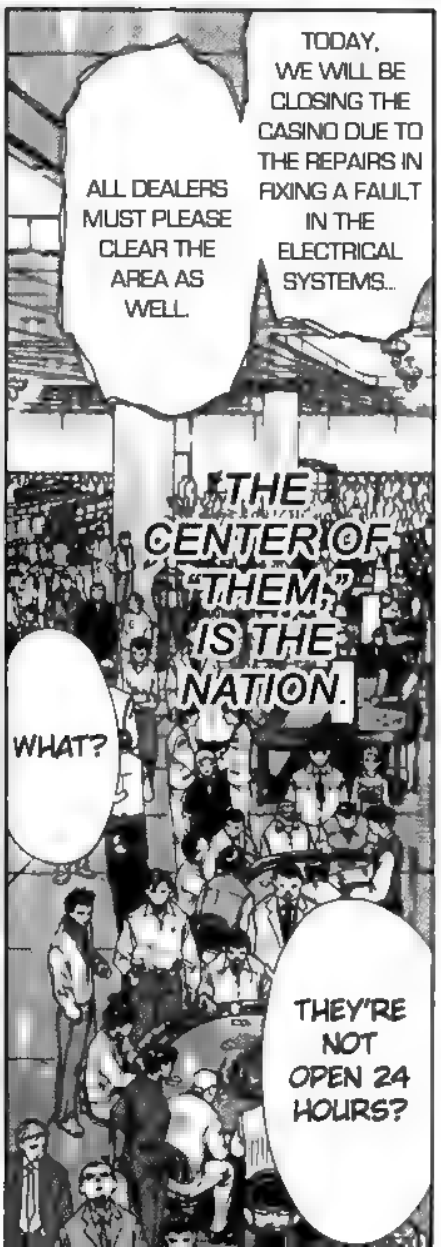


IS ROBBED BY "THEM."
THE MONEY THAT WAS GAINED THAT WAY...

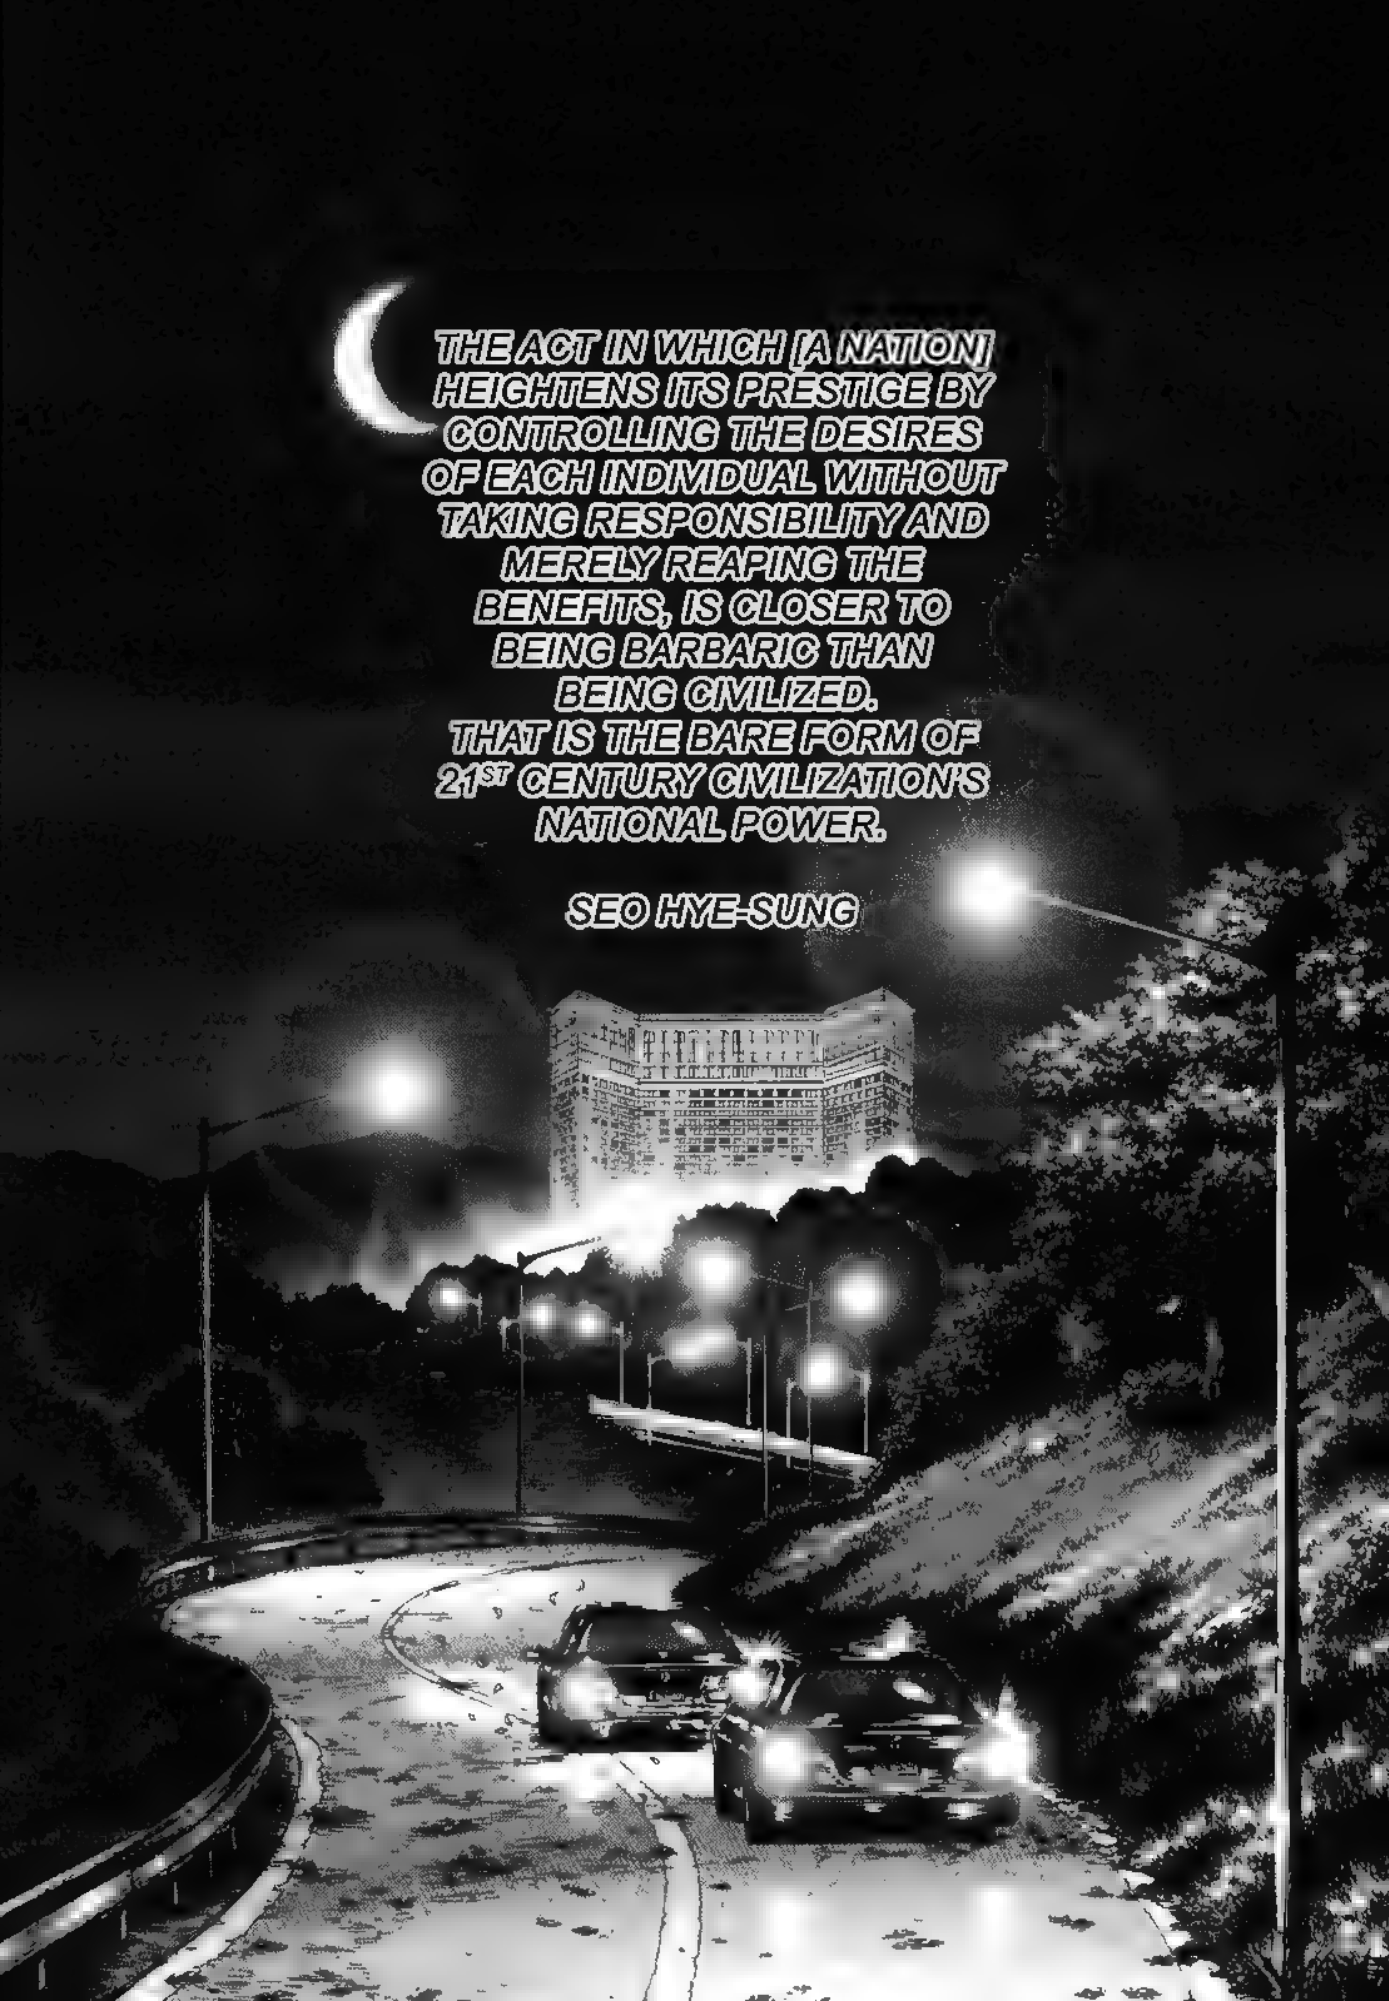
HOWEVER, "THEY" DO NOT GAMBLE.
GAMBLING IS JUST A VERY RELIABLE SOURCE OF INCOME.



PEOPLE GAMBLE.



TODAY, WE WILL BE CLOSING THE CASINO DUE TO THE REPAIRS IN FIXING A FAULT IN THE ELECTRICAL SYSTEMS..
ALL DEALERS MUST PLEASE CLEAR THE AREA AS WELL.
THE CENTER OF "THEM," IS THE NATION.
WHAT?
THEY'RE NOT OPEN 24 HOURS?



THE ACT IN WHICH [A NATION] HEIGHTENS ITS PRESTIGE BY CONTROLLING THE DESIRES OF EACH INDIVIDUAL WITHOUT TAKING RESPONSIBILITY AND MERELY REAPING THE BENEFITS, IS CLOSER TO BEING BARBARIC THAN BEING CIVILIZED.
THAT IS THE BARE FORM OF 21ST CENTURY CIVILIZATION'S NATIONAL POWER.

IF YOU ARE TO OWN A CASINO, YOU WILL NEED TO ACCEPT EVERY ONE OF THOSE THINGS.
YOU SAID YOU WERE GOING TO TAKE THE CASINO, RIGHT?

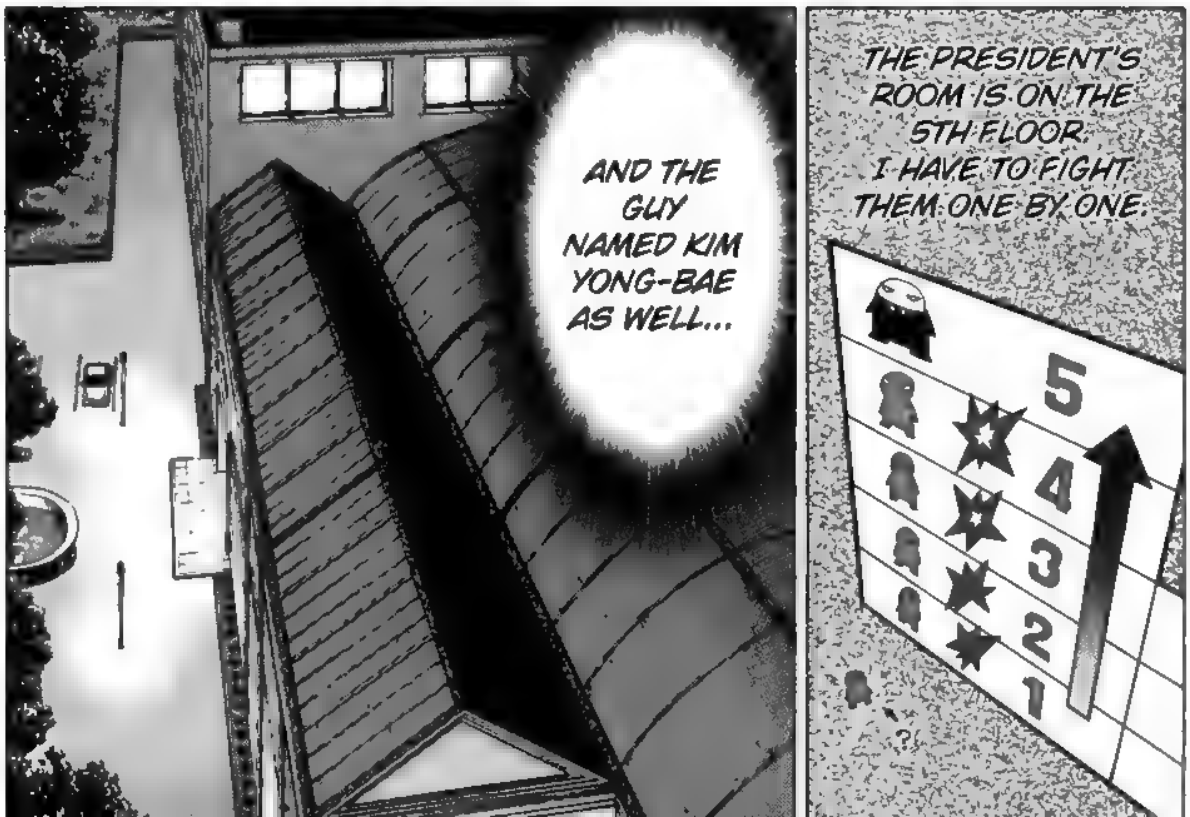
THEY KNOW EVERY CORNER OF THE CASINO'S STRUCTURE.
THE 300 OF US... HAVE BEEN TRAPPED INSIDE OF THE CASINO.

ACCORDING TO TAE-SU'S STORY,
THE CASINO PRESIDENT, LEE MAN-GU HAS SUPPOSEDLY CALLED BACK 5 OF HIS FORMER EXECUTIVES.
THOSE 5 MEN ARE ALL FAMOUS FIGHTERS IN SOUTH KOREA..
AND ARE EXTREMELY STRONG.
ON TOP OF THAT, THEY ARE LOYAL AND FAITHFUL ENOUGH THAT THEY WOULD THROW AWAY THEIR POSITION AS BOSS OUT IN THE COUNTRY AND RETURN TO THE CASINO.
WHRRRRR



AND THE GUY NAMED KIM YONG-BAE AS WELL...
THE PRESIDENT'S ROOM IS ON THE 5TH FLOOR. I HAVE TO FIGHT THEM ONE BY ONE.
